

working with kids

ASK: reason for tx? who attends session? who is contact?

Dr Day:

↓
Details & data matter. collect as much as possible
KINDLY

Always interview parent first (unless dev. adol.)

MTG 1: Parent + Info

MTG 2: Gather child dev. history from parents

MTG 3-4: meet with child

MTG 5: mt w/ parents to talk treatment plan.

ask for concrete examples when vague descriptions given.
