- 1 choice making
  - 2 interoception attention to attention
- [ knowing story fights burnout ]

## #3 Susan Hall: Buddhist Psychology to overcome suffering

PAIN IS PHYSICAL SUFFERING IS MENTAL SCIENCE of MIND

### PANELIST Q & A:

TSS formed & informs how I am in the world.  
-A. Englund

Q. why did you present?

Because everything in me said "no."

TSS helped me be EMPOWERED to be IN MY FIELD as MYSELF (equipped to bring gift uniquely)

-J Waggoner

The work that I do didn't exist before I did it

Richard Kim speaking of finding calling, vocation, & particularity.
